College visit — participation, travel, and emergency medical care.

About La Familia Community Scholarship. We're a committee of adults your child already knows from the gym — first responders, tradesmen, and professionals who've spent years mentoring young men here. Our aim is to help them see a path to college and a career.

This trip. A daytime visit to tour a college campus, meet with admissions, and get a feel for college life up close.

Questions before signing? Call us — we're at the gym every Thursday.

CONSENT & AUTHORIZATION

By signing below, I give permission for the named minor to take part in this La Familia Community Scholarship college visit, including transportation to and from the destination by a designated committee driver. If I cannot be reached, I authorize a designated chaperone to seek and approve emergency medical treatment for my child. I understand that I am responsible for any costs of medical care or treatment my child receives, and that La Familia Community Scholarship and its members are not responsible for those expenses. I understand these activities are run by La Familia Community Scholarship LLC, not by individuals personally.
